

EASTER GARDEN

Easter lilies and hydrangeas bring beauty to our service and church today. They honor the memory of those who have gone before us and now live in the fullness of Easter's promise. These blooms also celebrate loved ones who continue to journey with us, inspiring lives of faith. Listed below are the names of those who have shared these flowers, along with those they remember and honor.

LILIES

CATHY & DAN ADAMS

+ In memory of Burt & Mike Adams
