## Coupon Book & Community Guide

It's that time of the year where you can count on getting our Chamber coupon book, where you can count on over \$5000 worth of deals and 237 coupons!

Brad Gruhot,  
Marshall Chamber  
President

Now in our 12th year, our first coupon book had just over \$800 in deals. It's come a long ways!

In many communities, Chambers host a golf tournament as their largest fundraiser. We don't want to take away from the many successful golf tournaments, so instead, our biggest fundraiser is one that benefits the business community. \$30 for the coupon book and often times, one coupon in the book can pay for the book itself. Stop in today and get your book! We also partner with many groups that help sell as well as some local businesses.

Also, our 2022 Community Guide is now out! This is a special edition with Marshall's 150th coming up! This includes a directory of all of our members. We encourage you to do business with our members as that is one of the many reasons a business joins our chamber.

The Community Guide was sent out to all Marshall independent subscribers last week. Keep this handy when you are looking up a local business. We are lucky enough to have about 80% of the Marshall Area businesses that are members of the Chamber.

Both the Coupon book and the Community Guide are available at our office. Don't forget, we moved back Downtown in November. Our new address is 317 West Main Street next to Thrifty White Drug.

As always, we appreciate you supporting our area businesses and shopping local!
