

# CHAMBER CONNECTION

Marshall Area Chamber of Commerce Connection to Local Business, Public Policy, Economic Development and Community Events

Brad Gruhot  
Marshall Chamber President

**Give to the Max Day**  
Today is Give to the Max Day throughout the State of Minnesota. This day is not to be confused with Giving Tuesday, which is a national effort with the same concept of giving to non-profits but is held the Tuesday after Thanksgiving.

Give to the Max Day is an effort to give to non-profits and is held on the third Thursday of every November, although the website [www.givemn.org](http://www.givemn.org) has been open for business since November 1st. This is the 13th year that this campaign has been in place. Bottom line, during this time

of giving, it's also time to consider a gift to your local non-profit organizations.

Non-profits took a major hit during the worst of COVID back in 2020 and many of them are still catching up. I'd encourage you to go to our website directory at [business\\_marshallmn.org/list/](http://business_marshallmn.org/list/) and do a search for non-profits and you will see a whopping 64 of them that we have as Chamber members. Or, you can go to the website, [givemn.org](http://givemn.org) and do a zip code search for which charity or charities you are willing to give to this year.

Not only do we encourage you to shop and eat local this Christmas season but also give local.
