

# Foundational Succession Planning for Families

**127K**

people in Colorado have  
an intellectual and  
developmental disability.

**73%**

of people with an  
intellectual and  
developmental disability  
in Colorado live with  
their family.

**20k**

adults with an  
intellectual and  
developmental disability  
live with caregivers over  
the age of 60.

What will happen to my child if something happens to me?

**Foundational Succession Planning involves making a  
plan for the future of a family member with a disability.**
