## Join us for an Employment Mixer & Happy Hour

Wednesday, May 18th, 2022

4:00pm - 6:00pm

At Brewability Labs

3445 South Broadway, Englewood, CO 80113

Free to attend, please register in advance: <https://bit.ly/3qCPQIC>

### ***Are you looking for a job, or thinking about looking for a job? Or, are you an employer focused on inclusive hiring?***

Join us for a casual happy hour for self-advocates, employers and others who value employment for individuals with disabilities.

Resumes are not necessary. There will be a short welcome presentation, followed by eating, drinking and mingling. Then, join a roundtable to share your employment story, or join a discussion hosted by arc Thrift on the positive outcomes of hiring individuals with IDD.

After the discussions, mingle while enjoying pizza and drinks made by Brewability, a model for employment for people with IDD.

To sign up:

- **If you are a person with IDD** who is looking for a job, interested in new employment opportunities, or you want to share your employment success story, or you just want to mix and mingle, please register in advance online: <https://bit.ly/3qCPQIC>
- **If you are an employer** with open jobs, or you want to attend this event to learn more about broadening your hiring to be more inclusive, please reach out to Jennifer Holan at [jennifer@arcjc.org](mailto:jennifer@arcjc.org).
- **If you have questions:** please contact Brent Belisle at [brent@arcjc.org](mailto:brent@arcjc.org) or 303-232-1338

Sponsored by First Bank and PASCO, with support from arc Thrift.
