

A **FREE** training presented by:

COLORADO OFFICE OF
EMPLOYMENT FIRST
Work Elevated

A Brighter Future:

Navigating the World of Disability and Employment

MARCH TRAINING DATES

ABOUT THE TRAINING

Training participants will engage in an interactive learning experience that includes six one-hour virtual training sessions with additional one-on-one mentoring opportunities. Participants will complete a pre and post-course survey to assess knowledge gained from this training opportunity.

TARGET AUDIENCE

Youth with I/DD between the ages of 14 and 21 and their family members primarily representing rural areas.

TRAINING TOPICS

There are separate Youth and Families training tracks covering these topics:

- What Employment First is
- Skills needed to get employment
- How employment fits into the education process
- How managing health impacts employment
- Services and agencies for obtaining employment
- How employment may impact Social Security benefits
