

## WHAT - Subsidy

The Housing Choice Voucher Program (formerly Section 8) provides rental assistance to income-eligible tenants by subsidizing a portion of their monthly rent and utilities, and paying it directly to their landlords. If utilities are not included in the rent, the program may pay a larger portion of the rent so the tenant is able to afford utility payments. Voucher assistance is the difference between what the tenant is expected to pay toward rent (30%-40% of the household's adjusted gross income) and the cost of the rent.
