- [Informational Memo - Case Management Redesign and Conflict-Free Stakeholder Engagement \(December 18, 2018\)](#): The purpose of this Informational Memo is to inform all stakeholders about the upcoming stakeholder engagement meetings where the Department of Health Care Policy and Financing will present the findings of the Community Impact Survey. The Community Impact Survey was released to solicit feedback regarding the state's transition to Conflict-Free Case Management (CFCM) as it relates to Home- and Community-Based Services

case management. The purpose of the survey is to help identify gaps, challenges, and best practices related to the transition to a CFCM system.
