

2021 Community Profile and Membership Directory

ENHANCED BUSINESS LISTINGS

Dear Chamber Member,

We want to say "Thank You" to those who have signed up to sponsor the upcoming 2021 Community Profile and Membership Directory. You are investing in the most trusted publication in our community.

For those who were unable to participate in the display advertising, you still have an opportunity to increase your company's visibility and highlight your business by purchasing an Enhanced Business Listing. Our publishing partner, Metro Media has partnered with Chamber Directory Services. They will contact you to verify your listing information and allow you the opportunity to purchase this Enhanced Business Listing at a very affordable price.

The printed publication will be distributed through the mail to 12,500 homes and businesses in Clinton, in new resident bags, and to people who request information in our office or by phone. Most importantly, it will appear on the Chamber's website that receives thousands of hits annually from people who are seeking business, relocation and economic information about our community.
