

What is CARES Act On-the-Job Training?

CARES Act funds have been authorized to the Southcentral MS Works Workforce Area for the purpose of assisting employers with the cost of hiring and training employees. If your business has been affected by the COVID-19 disaster, and you hire an individual who has been furloughed, unemployed or otherwise displaced, you could be eligible for assistance.

Who qualifies for the CARES Act OJT?

- ▶ A business who has experienced closure due to non-essential designation.
- ▶ A business who has experienced a business slow down due to supply chain interruption.
- ▶ A business who has experienced loss due to reduced orders or reduced consumer demand.
- ▶ A business who has shut down due to COVID-19 outbreak on employer site.
- ▶ A business required to revise method of production or service provision process.

Program Benefits?

Get reimbursed up to **75%** of the employee's wage rate.

You interview and select your employees.

Reimbursement is received at the end of the training program with a maximum of **320** hours of training.
