Catholic High school students from southeastern Michigan are forming Circles of Support in each of their 12 schools. The students had dinner with Sr. Norma before the event at the Basilica of Ste. Anne on Saturday evening.

On Saturday evening, Sr. Norma made a presentation to over 200 people at the Basilica of Ste. Anne de Detroit. We were joined by Rev. Monsignor Charles Kosanke and Paul Propson, CEO of Catholic Charities of Southeastern Michigan.

Sr. Norma attended two Masses at St. Mary's Student Parish in Ann Arbor--one was in English and one in Spanish. Then she met with parishioners afterwards for coffee and questions.

Also on Sunday, Sr. Norma enjoyed lunch and conversation with some of our Spanish-speaking women's circles and their families. Some of these families spent time in Sr. Norma's respite center after they entered the U.S.
