

NEW BOARD OF DIRECTORS FOR SNL

One of the items on the agenda at the August Board Meeting was to vote for officers who would serve through March 2021. Elections for officers will happen annually in March beginning in 2021 but we needed to identify officers that would serve until then. Two agreed to continue to serve in their positions until March and were unanimously elected by the Board-- **Rosemary Insley as Chairperson** and **Kathy Faba as Secretary**.

Our Treasurer, **Sharon Bender**, decided she was not able to continue as an officer on the SNL Board. We extend our most grateful thanks for all she has done since SNL's beginning and we look forward to having her help in other areas.

We are pleased to report **Gary Duquette** has agreed to serve as Treasurer and was also unanimously elected by the Board. Gary has a BA from Marist College & Seminary and an MA in teaching mathematics from the University of Detroit. He has experience in teaching, automotive design and engineering, and human resources management. He continues to be involved in the St. Vincent de Paul Society—at one time as president of the organization at St. John Neumann parish in Canton. Since moving to Fort Gratiot, he has become involved with St. Vincent's at Holy Trinity in Port Huron. Thank you for taking on this position Gary!
