

Strangers No Longer

"I believe today's celebration involves first opening our eyes — understanding the real situation and seeing it through the vision of Christ. In doing so, we need to, on the one hand, commit ourselves to working slavishly with no expectation of reward for the Christ we find in migrants and immigrants, while knowing in the end, in the midst of their suffering, it is they who are serving us."

**– Jubilee of Migrants Mass, October 2025
Archbishop Weisenburger**

Strangers No Longer is responding to Jesus' call to welcome the stranger and care for our neighbors in need. We do this by building "Circles of Support" in Catholic parishes that foster friendship, provide assistance to immigrant families, and promote understanding rooted in our shared faith. Our mission is to live out the Gospel by recognizing the God-given dignity of every person and strengthening our communities through compassion and service.
