

CONTEMPLATIVE OUTREACH OF MARYLAND AND WASHINGTON D.C.

**THINKING OF FACILITATING CENTERING PRAYER?
LEAD A CP GROUP BUT NEED A REFRESHER?
HERE'S A NEW WAY!**

In partnership with our national organization, Contemplative Outreach Ltd. (COL), COMW is now offering a *hybrid* path for Facilitator training/enrichment.

It combines:

- COL's new *online* training (February 26-27, 2021)
- A COMW mentoring period, as required in *The Facilitator's Handbook*
- COMW'S *in-person*, overnight Facilitating Workshop (Spring 2022)

Who Should Sign Up

Anyone considering facilitating/co-facilitating a Centering Prayer group is welcome, as are present Facilitators who want an enrichment/refresher course.

Our Goal

The goal of this program is to make training, resources and mentoring available for those who wish to share the gift of Centering Prayer by preparing them to facilitate groups and assist members in responding to the Spirit's call to begin and nurture a Centering Prayer practice.

How to Participate

First: Register below for COL's Facilitator training, via Zoom, this February 26 and 27, 2021. **That's this month.**

Second: After completing COL's online portion, contact Marjorie Centofanti, COMW Facilitator Coordinator, at mcentofanti@jhmi.edu to arrange for mentoring, a necessary step for certification as a Facilitator.

Third:

Check the COMW website *in October 2021* to register for our overnight Facilitating Workshop planned for Spring, 2022 (dates TBD). The workshop, led by national COL presenters Bob Mischke and Eileen McCaffrey Schuman, will take place at Our Lady of Bethesda Conference Center in Bethesda, Maryland.
