

CONTEMPLATIVE OUTREACH OF MARYLAND AND WASHINGTON

SAVE THE DATE!

for our rescheduled

Facilitating Workshop

May 14 – 15, 2021

With the optimism that marks the Contemplative Path, we've rescheduled our Facilitating Workshop that was to happen this past May.

The Workshop

This overnight event is designed to support facilitators—new or longtime—and also to inform anyone thinking of leading or co-leading a Centering Prayer group.

In 2021

Our workshop will still be at the sylvan Our Lady of Bethesda conference center in a Maryland suburb of Washington, D.C. It still features national CO Ltd. presenters Bob Mischke and Eileen McCaffrey Schuman.

Watch

Look for COMW's announcement and registration information later this Fall. Of course, safety is foremost. We would re-schedule again if necessary. Questions? Contact Marjorie Centofanti: mcentofanti@jhmi.edu
