

LJ's January Webinars

Happy Nothingness Jan 2021

Description

In this series of classes we will look at central questions of a mystical faith. What difference does the incarnation - the divine entering our flesh - make to an understanding of God? We will explore the essence of prayer. What is prayer and what is its core? This will lead us to a discussion of how we are called to be prophets today. All of this hinges on our experience of God. But what is my experience of God? We will go through a spiritual exercise to name, describe, and communicate your experience of God. And then, how do we remain faithful to God in our activity? How do we live the sacrament of the present moment?
