

CONTEMPLATIVE OUTREACH OF MARYLAND AND WASHINGTON

SAVE THE DATE! for our rescheduled **Facilitator Retreat** **May 14 - 15, 2021**

From the hope and optimism that marks the Contemplative Path, we've rescheduled our Facilitator Retreat that was to happen this past May.

The Retreat

Many of you had registered for this event, an overnight retreat to support facilitators—new or longtime—as well as anyone thinking of leading or co-leading a Centering Prayer group.

Now

We're pleased to *re*-offer the retreat.

It's still at the sylvan Our Lady of Bethesda conference center in a Maryland suburb of Washington, D.C. It still features national CO Ltd. presenters Bob Mischke and Eileen McCaffrey Schuman.

Watch

Look for COMW's announcement and registration information later this Fall. Of course, safety is foremost. We would re-schedule again if necessary. Questions?
