

# PFC TRAINING PROGRESSIVE CARBINE SERIES

LAS VEGAS, NEVADA

## PC1 - FIGHTING FOUNDATION - \$225

MONDAY - MARCH 30

PC1 represents the cutting edge of combative carbine shooting with an emphasis on weapon system operation for personal defense. Learn to run your gun like a pro!

## PC2 - FIGHTING POSITIONS - \$225

TUESDAY - MARCH 31

This course addresses proper understanding of mechanics, assumption, stability, protection, adaptation and improvisation that can dictate the outcome of a fight. Learn to fight from different positions as well as effective barricade tactics and use of cover.

## PC3 - MOVEMENT UNDER FIRE - \$225

WEDNESDAY - APRIL 1

PC3 aims to create gunfighters that can proactively employ motion in a controlled, balanced, and dynamic manner pushing adversaries to exploitable errors.

## PC4 - LOW LIGHT ENGAGEMENTS - \$250

THURSDAY - APRIL 2

PC4 provides students the latest fight winning principles, tactics and techniques for deadly force personal defense in low-light environments.

## PC5 - EXTREME ENGAGEMENTS - \$250

FRIDAY - APRIL 3

Lethal encounters often follow few rules. Distances, numbers and injuries are far from fair. Thus the unthinkable must be planned and properly trained for.
