

30th ANNUAL CFA SOCIETY SASKATCHEWAN (VIRTUAL) DINNER

Thursday | 31 MARCH 2022 | 6:00 – 8:00 pm

Moderator and Speaker

FRANCES DONALD, M.A. ECONOMICS
CHIEF ECONOMIST AND STRATEGIST |
MULTI-ASSET SOLUTIONS TEAM
MANULIFE INVESTMENT MANAGEMENT

Frances Donald forecasts global macroeconomic and financial trends, analyzes the economy and capital markets for potential opportunities and risks, and serves as a thought leader both within the firm and externally. As a senior member of the firm's multi-asset solutions team, she coordinates global macro research, assists in the team's return forecasting process, and contributes to portfolio positioning views.

Ms Donald began her career in 2008 and joined Manulife in 2016. Prior to joining Manulife, Frances worked as a financial economist for Scotiabank in Toronto, and before that as a global macro analyst for Pavilion Global Markets in Montreal.

Earlier in her career, she held various positions at Deloitte, Roubini Global Economics, and Bank of Canada. Frances is a frequent public speaker and regularly appears in international media.

Ms Donald earned her B.A., Economics, at Queen's University and an M.A., Economics at New York University.
