

HYPOTHERMIA PREVENTION AND RESPONSE PROGRAM: 2015-2016

In its 11 seasons of operation, the Hypothermia Prevention & Response Program is a collaborative effort between FACETS, Fairfax County, and over 50 faith communities. This program highlights the imminent danger faced by our less fortunate neighbors during the blistering winter season; and how we as a community join together to provide the adequate resources needed to ensure each individual has a safe and warm place to rest.

VOLUNTEERS

OVER 2,000

OVER 2,000 VOLUNTEERS CONTRIBUTED
OVER 34,000 HOURS OF VOLUNTEER
SERVICE
