

July 2020

Dear Members and Friends of United Church on the Green:

In this uncertain time of pandemic and protest—when a mirror is being held up to our society—God reaches out to us to be church together. We seek to answer God’s call by working to create a kinder and more just society.

We need you to answer God’s call, to join us in our work—by pledging the power of your gifts of talent, time and treasure.

Demonstrate your support for our church and its ministries by making a financial commitment. You may make a financial pledge for the full year of 2020-2021 or if your finances are uncertain in the pandemic crisis, you may choose to make a four-month pledge. If your circumstances improve, you may decide to extend your pledge in October.

Blessings from the Stewardship Committee,
