The Worcester Chamber Music Society will be coming to Franklin for a unique multi-media concert! In conjunction with the Franklin Public Schools, the **Art + Music Family Concert** will offer music of Mozart, Debussy, Haydn, and Ginastera. Artwork inspired by the pieces and created by Franklin's elementary students will be projected above the musicians in a presentation timed to the music. In addition, dancers with Festival Ballet Providence will perform, and children in the audience will have an opportunity to create art real-time. Join them onstage following the show for a meet and greet and to see the instruments up close.
