

Penny Wars!

Global Community Service Project

What is the objective?

-To collect as many pennies as possible.

Who is involved?

-You! All 7th and 8th grade homerooms are involved.

When are the Penny Wars taking place?

-Monday, May 1st through Friday, May 5th (during lunch).

Why are we doing this?

-We are raising money to fulfill our global community service project for Heifer! The winning homeroom will get to choose where the earned livestock will go!

How do we play?

-Students try to fill their grade level jar with pennies. Each penny is 1 point. Nickels are minus 5 points, dimes minus 10 points, etc.

-Students from other grades want to put pennies in their own jar and nickels, dimes, quarters in jars from the other grades.

Any questions?

-Please contact your homeroom teacher.
