Dear Instrumental Parents and Students:

The success of our band program relies on students taking instrumental lessons during the summer vacation to continue their personal growth and retention of instrumental musical skills achieved during the school year. This is also the perfect time for students to get one-on-one help with their Wind Ensemble or Symphonic Band auditions, which occur the first week of school in the fall.

Summer lessons are offered in a private setting (student and teacher) on a 1/2 hour per week basis. Lessons will be taught Monday through Thursday at the school between the hours of 9:00 a.m. and 3:00 p.m. Schedules will vary with the instrumental faculty members. **Please note:** Ms. Lucas will be available for lessons on Tuesdays. If you are a percussionist and are unavailable on Tuesdays, please let us know.

The program will begin on Monday, June 25, 2018 and run for 8 weeks, ending August 16, 2018. Family vacations are not a problem; students will benefit with even a few lessons. Notification to the teacher of vacation weeks is all that is required. The cost of the program is \$20.00 per lesson. This will be payable directly to the teacher on a weekly basis at the time of the lesson.

If interested in registering for the program, simply fill out the lesson form on the next page. Clip and send the form to Mr. Heater at school by June 15. The teachers will contact the individual students and parents to set up the schedule.

Thank you and we hope to see you all at lessons over the summer!!!
