Re: Fundraising - Introduction to Taekwondo

Dear Parents and Guardians,

We are a non-profit organization that provides tailored Martial Arts programs for public schools. Our programs promote physical fitness as well as mental healthiness in children, aiming to boost their confidence and sense of achievement. USFLF's programs, developed and currently imparted by highly qualified Korean masters, have reached more than 17,000 children.

We are always trying to find ways to create awareness of the positive impact Martial Arts have on children. This time we are partnering with the BFCCPS-PCO and our Martial Arts service providers (Mu Han Total Martial Arts) in benefit of the school community through a fundraising activity.
