

# *Advancing Conservative Priorities*

## Priority Action Step:

- **Effectively communicate (the Left is better at telling a lie than we are at telling the truth)**

## Other Action Steps:

- Do targeted effectual prayer (the war for the future of our nation is on three fronts: spiritual, cultural and political)
- Instruct your Republican [Congressmen](#) and [Senators](#) to drive the agenda, whether or not we are in the majority – that is how we win

**Facilitator: Congressman Bob McEwen**

**Participants: Congressman Jody Hice, Congressman Tim Huelskamp, Congressman Barry Loudermilk and Congressman Gary Palmer**
