

Our Role in Advancing Conservative Priorities

Priority Action Step:

- **Support the President – send encouragement for things done right and communicate what you have done to reinforce the Administration’s principled decisions**

Other Action Steps:

- Inform Representatives to repeal Obamacare and implement medical-based tort reform
- Communicate with The White House to lobby for the executive order on religious liberty and FADA First Amendment Defense Act – [view the CNP letter](#) and sign [here](#)
- Encourage the President to make conservative judicial appointments by calling and emailing The White House (paul.s.teller@who.eop.gov)
- Ask Congress to force Twitter and Facebook to reveal their publication algorithms and policies
- Increase social media and Congressional communication by acting on a CNP Action, Inc. communications directive to make phone calls and send out tweets within 72-hour windows
