

# ***Trade and Economic Policies that Benefit America: What We Can Do***

## Priority Action Step:

- **Find private sector ways to solve problems, i.e. start a school, set a monetary system, toll roads, privatization**

## Other Action Steps:

- Inform blue state residents moving to growing red states that conservative policies led to their economic success
- Learn how to teach others about economics, i.e. study Cicero and Adam Smith
- Email anecdotes to Paul Teller, [paul.s.teller@who.eop.gov](mailto:paul.s.teller@who.eop.gov), about how Trump's policies are working

**Facilitator: Bill Walton**

**Participants: Richard Rahn, Paul Teller and Jonathan Williams**
