Want to “Adopt” a Piedmont Athens Regional Department?

You count on us to provide consistently exceptional care.

If you'd like to give back by helping to support our employees in challenging times, we hope you'll consider “adopting” a department. Once a month, you'll have the opportunity to express your gratitude by sending cards, delivering snacks, or sponsoring a meal.

Learn more about how you can help support us. Please contact Tammy Gilland at tammy.gilland@piedmont.org or 706.475.7025.

Thank you!
