

JACKSON COUNTY HABITAT FOR HUMANITY (JCHFH)

REQUEST FOR GENERAL BUILDING CONTRACTORS

JCHFH is pre-qualifying licensed general contractors for the CHIP housing improvements program. This program is funded by the Department of Housing and Urban Development (HUD) via the Georgia Department of Community Affairs (DCA) and will be subject to all federal program requirements and the local CHIP policies and procedures statement.

Interested general contractors must submit a CHIP Contractor Application form for consideration. Application forms will be accepted on an on-going basis until completion of the program; however, only contractors that have completed the application form will receive bid packages as they become available.

A CHIP Contractor Application form and CHIP policies and procedures can be obtained from our construction manager, Jon Langston. Jon can be reached by phone at 706-424-2998 or via email jlangston@jacksoncountyhfh.org.

MBE/WBE contractors are encouraged to pre-qualify.

JCHFH is committed to providing all persons with equal access to its services, programs, activities, education and employment regardless of race, color, national origin, religion, sex, familial status, disability, or age.
