Dear Local Community Business:

On Friday October 18, the students and parents from The Academy at West Fallowfield Christian School will be hosting the Falcon 5K and Fun Run. While this will be a fun day of friendly competition and exercise for the whole family, it also serves as a fundraiser for The Academy. The Academy is a high school co-op program for incoming 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> grades. The Academy continues in the WFCS tradition of offering high-quality academic courses that are infused with Christian values. Our goal is to partner with parents, helping students reach their academic potential while also fostering their individual spiritual growth. Our school serves as a resource for families by helping students meet homeschool requirements, including the compilation of the student work portfolio. The college-style model provides students accountability while helping them learn to manage time effectively.

**Will YOU consider partnering with us to make our Falcon 5K and Fun Run a success?**
