COVID PROTOCOL FOR IN-PERSON MEETINGS

To protect the health of all attendees, we require that all participants adhere to the following safety measures while attending JASNA SW in-person events:

Vaccination and Booster Policy: We require that attendees **provide proof of full vaccination plus booster upon arrival.** We expect attendees to comply respectfully with this requirement. We do not accept proof of a negative COVID test in lieu of proof of vaccination plus booster. No exceptions. If any person fails to comply in a respectful manner regarding this requirement, that individual will be barred from attendance and no refund will be issued. In addition, we expect our members to inform their guest(s) of our requirements to attend this meeting, to act in a respectful manner, and of the consequences of not doing so.

Mask Policy: Masks are strongly encouraged except when eating or drinking. Masks will be available upon request.

Please stay home if you are ill. If you or someone in your group doesn't feel well, has exhibited symptoms of COVID-19 or has been in contact with someone with COVID-19 in the previous 10 days, we ask that you not attend.
