EASTERN NORTH AMERICA

TEA@Traveling Exhibits Network Regional Meet-up

Thursday, August 15

8:30am–4:30pm

Cincinnati, OH

Part 1 - Cincinnati Museum Center, 1301 Western Ave.

Part 2 & 3 - ADEX INTL, 1301 Glendale Milford Rd.

Join the TEA and TEN (Traveling Exhibits Network) in kicking off TEN's first regional meet-up! We look forward to having great conversations with you about topics surrounding traveling exhibitions — and networking all the while. This first event will focus on durability, material selection, and fabrication of traveling exhibitions. We will look at old and new exhibitions and workshop lessons-learned while celebrating successes. This on-sight insight will give you access to selected exhibitions, workshops, and put real examples of materials into your hands for a robust discussion about designing and fabricating for durability on the road.

Cost: FREE!
