

TEA GIBGAB EAST

A NEXT-GEN EVENT

PRESENTED BY

WHAT

GibGab is a professional networking mixer consisting of two parts: a series of three-minute individual meetings with member companies, and an informative Q&A Session with industry experts. During the company meetings, NextGen members introduce themselves and their work to the TEA member companies in attendance. The Q&A allows NextGen to learn about best practices in the industry from experienced Themed Entertainment professionals.

Are you a TEA member company interested in participating? Contact Justin Ruka at justin@alcorn.com by March 8th to sign up.
