

# TEA GIBGAB EAST

A NEXT-GEN EVENT

*HOSTED BY*

**AECOM**

## WHAT

GibGab is a professional networking mixer consisting of two parts: a series of three-minute individual meetings with member companies, and an informative Q&A Session with industry experts. During the company meetings, NextGen members introduce themselves and their work to the TEA member companies in attendance. The Q&A allows NextGen to learn about best practices in the industry from experienced Themed Entertainment professionals.

Are you a TEA member company interested in participating?  
Contact Carson Luter at [luter.carson@gmail.com](mailto:luter.carson@gmail.com) by October 25th to sign up.
