Keynote Speaker

Keynote Address by Yves Pépin

Yves is a recipient of the TEA Thea Lifetime Achievement Award and is the genius behind some of the most well known show events.

He was behind the Millennium fireworks from the Eiffel Tower, the show at the Olympic Games in Beijing and hundreds more.

He started ECA2 in 1974 and over the past ten years has been working as an independent producer. Yves' shows are known for combining numerous technological means such as projection on water screens, fountains, fire, pyro and other special effects.

His use of technology and innovation allows him to deeply move audiences.
