HOW TO PARTICIPATE

The Florida Department of Transportation (FDOT) invites you to attend a hybrid public meeting for the S.R. 61 (Thomasville Road) project. This hybrid meeting is being held both virtually and in-person to provide interested persons an opportunity to express their views concerning the proposed improvements. Those who are unable to participate virtually may attend the meeting in-person. See the information sheet in this handout for details. Interested persons can visit the project website at **www.nwflroads.com/calendar** and register for one viewing option (virtual or in-person). The same materials will be presented for each format. If you have any questions or issues registering, please contact the FDOT Project Manager.

Maps, drawings, and other project information is available for review online beginning at 12 p.m. (EST), Tuesday, February 11, 2025, at **www.nwflroads.com/calendar**. The materials may also be viewed by contacting the FDOT Project Manager.

PROJECT INFORMATION

This project has been developed through close coordination between the Florida Department of Transportation, Blueprint Intergovernmental Agency, and the City of Tallahassee to prioritize enhanced safety and accessibility for roadway users through roadway reconstruction between Calhoun Street and Sixth Avenue.

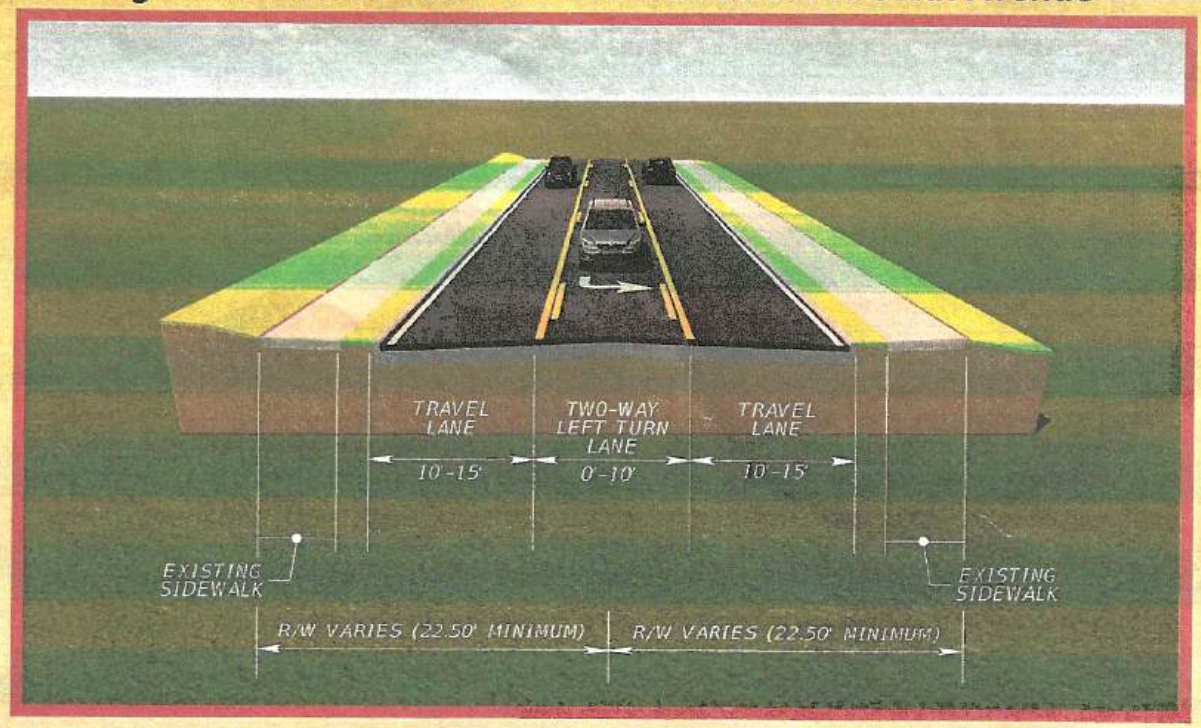

This area of reconstruction includes:

- Removal of the center continuous left-turn lane.
- Adding eight-foot sidewalk on the west side of the road.
- Relocating curb for stormwater sewer improvements.
- Reconstructing the sidewalk on the east side of the road to six-foot.
- Reconstructing the roadway to have two-lane, two-way operation.
- Reconstructing City of Tallahassee water and sewer lines.
- Reconstructing the traffic signals at Monroe Steet, Sixth Avenue, and Seventh Avenue.

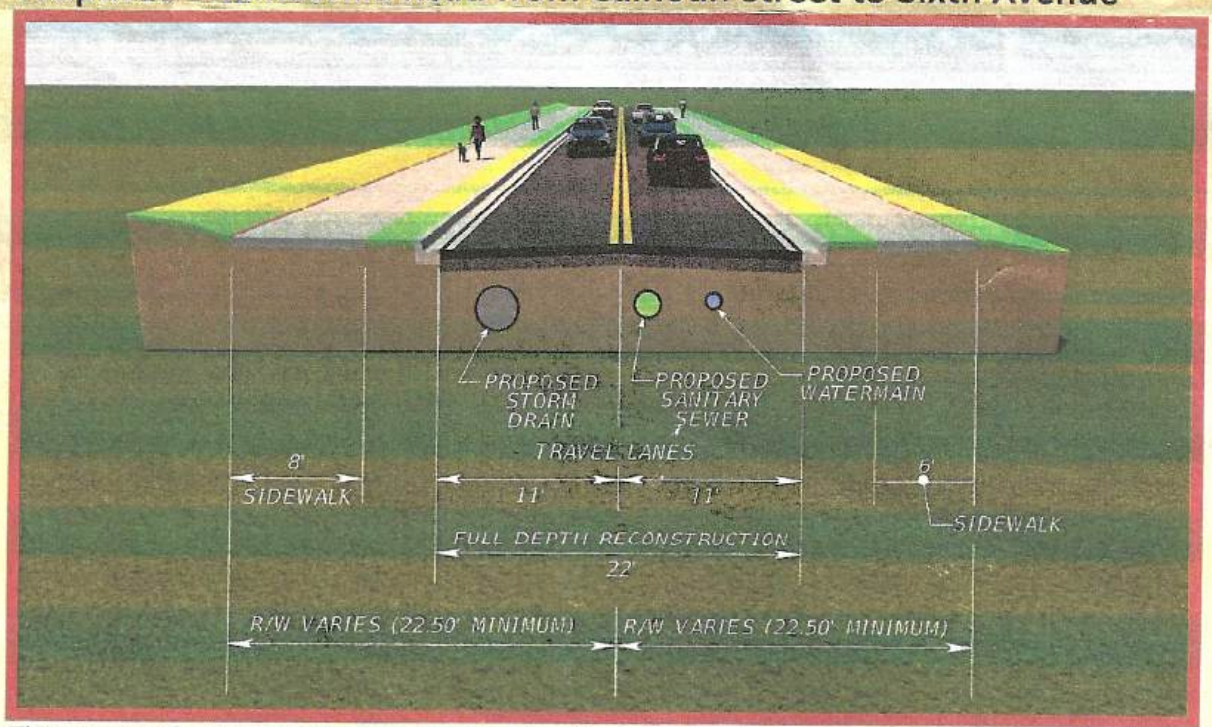

Additionally, the remainder of the project limits will be milled and resurfaced. It is anticipated the construction duration will beapproximately two years and significant impacts to existing trafficpatterns will occur. Access to businesses and residences will be maintained.
