

# ***DID YOU KNOW...***

The Census and its sister publication the American Community Survey benefits the business community?  
The data helps companies:

- Determine facility development, repositioning and infrastructure
- Identify sound lending opportunities
- Create marketing and merchandising strategies
- Make hiring decisions and evaluate the labor market
- Forecast growth and sales
- Allocate inventory
- Analyze risk

***Be counted in 2020!***  
***Save the date for April 1, 2020***  
***and fill out your CENSUS FORM!***
