

ADULT BASIC SKILLS (ABS) AND GED

ABS classes are designed for students who do not have a high school diploma and need to review and improve basic skills in math, science, social studies and reasoning through language arts. Students in ABS classes may be referred to the GED Ready™ practice test once qualifying scores have been achieved.

To be eligible for FREE ABS classes, students must be 18 years or older and officially withdrawn from high school. Call **410-777-1823** to schedule an appointment for an orientation prior to starting class.

For information visit **www.aacc.edu/learn-basic-skills** or call **410-777-1823**.

Note: Not all classes may be offered each term.

GENERAL EDUCATIONAL DEVELOPMENT (GED)

GED READY™

GED Ready™ (practice test) is half the length of the actual GED tests and includes questions similar in content, difficulty and format to the actual tests. This is an excellent predictor of how you may perform on the official tests. After completing GED Ready™, staff will meet with you to discuss your scores and make recommendations.

To be eligible to take GED Ready™, you must attend an orientation session and receive qualifying scores. Call **410-777-1823** to schedule an orientation.

SUPPLEMENTAL INSTRUCTION

Instruction is designed to review skills needed for the GED® math test. Access to an online math course is provided. To be eligible, students must have passed the official GED® Reasoning through Language Arts, Social Studies and Science tests. For information call **410-777-1828**.

I-PATHWAYS

Are you a self-motivated, independent learner? Do you need a flexible schedule that allows you to study anytime? Do you have regular access to the Internet? If you answered yes to these three questions, call **410-777-1823** and ask about I-Pathways. To determine eligibility, students must attend an orientation session.

The total cost of this project is \$551,963 of which 45 percent (\$246,510) is funded through the U.S. Department of Education, 35 percent (\$195,218) is funded through the state of Maryland Department of Labor, Licensing and Regulation and 20 percent (\$110,235) is supported by Anne Arundel Community College.
