*The Center of Intelligent Business*

## **Central Maryland Chamber CEO Roundtable**

Would your business benefit if you had a place to talk confidentially with other business owners about challenges and successes in your company?

An exclusive CMC member benefit – the CEO Roundtable allows you to confer with business leaders like yourself, share challenges and new ideas and discuss ways to take your business to the next level.

The CEO Roundtable provides a venue for owners, partners, CEO's and presidents to meet monthly with their peers in an atmosphere that fosters entrepreneurial thinking and encourages individuals in accomplishing their goals.

The program is designed to provide participants with their own confidential "board of advisors" who can assist with business challenges by presenting solutions for discussion.

### **WHAT'S IN IT FOR YOU?**

- Access to seasoned business leaders who share their expertise and experience.
- The opportunity to create an informal board of directors for your company.
- An open, small group of non-competing businesses sharing ideas in an unbiased forum.
- Opportunity to build lasting and rewarding relationships with other business leaders.

CMC members who hold the title of President, CEO or Partner are encouraged to join this group. Some business types encouraged to join include: Attorney, CPA, Marketing Firm/ Branding firm, Graphic design, Engineering/Architect Government Contractor. Other industry leaders welcome too.

This group is a free benefit of your Central Maryland Chamber membership. For more information about the CEO Roundtable, contact the group leader, **Ed Coogan** (Owner of Business & Personal Insurance Services) at:
