

HISPANIC BUSINESS WORKSHOP SERIES

Anne Arundel Community College Glen Burnie Town Center 101 Crain Hwy North, Room 409 Glen Burnie, MD 21061

Classes conducted in Spanish

Saturday, September 8, 2018 9:00 am to 11:00 am

Access to capital and how to improve your credit score

You will learn what it takes to get a business loan application approved by a financial institution and what other options of funding you might consider. A business advisor will discuss how to check, fix and build your credit score.

Saturday, September 22, 2018 9:00 am to 11:00 am

How to start your food business: Cash in the Kitchen

A business coach will explain the steps, license requirements, costs and useful information to start a successful food business. We will explore different possibilities to get your business off the ground (Farmer's Market, Pop-up Restaurant, Events & Festivals, Food Truck, Catering).

Saturday, October 13, 2018 9:00 am to 11:00 am

How to start and run a construction business

A business adviser with experience in the sector will explain the steps, requirements, costs and useful information to go through the licensing process as well as how to apply for a minority business certification and the benefits from it.

Saturday, October 27, 2018 9:00 am to 11:00 am

UBER / LIFT, house cleaning, landscaping, childcare

In this workshop you will learn a variety of options for entrepreneurs in need of an additional stream of income while allowing flexibility so that they can work on their own business ideas or current job.
