

## MBE/DBE/ACDBE/SBE Application Assistance Workshop

MDOT's Office of Small and Minority Business Policy conducts a free monthly workshop for firms interested in applying for certification as a Minority Business Enterprise (MBE), Disadvantaged Business Enterprise (DBE), Airport Concession Disadvantaged Business Enterprise (ACDBE) and/or Small Business Enterprise (SBE).

MDOT will also take a brief look at how to connect to business opportunities with the State of Maryland and offer some valuable marketing and business development tips. Workshop participants have the opportunity to meet one-on-one with a certification expert and ask questions that are specific to their company. To maximize this opportunity, be sure to review the Uniform Certification Application **prior** to the workshop and come prepared to ask all your questions during your personal one-on-one session.
