The Business Monthly

Salute to Central Maryland Chamber October 2018

The Business Monthly will salute the Central Maryland Chamber (CMC) and its members in this special section appearing in October 2018 — CMC will be featured along with its events, awards and unique programs in this salute. In addition, individual members and companies will be spotlighted and a regional economic update will be included. This is a great opportunity to salute CMC as well as get your name out to the area's important business decision-makers.

The Business Monthly prints 20,000 copies and is distributed to more than 900 locations. In addition, it is available on our website and there is a special bizmonthly app so the full publication can be read on a cell phone. In this feature, you can reach more than 55,000 professionals in the business community throughout Howard and Anne Arundel counties, the BWI Business District and the corridor region.

Don't Miss Out – Be Part of this Special Edition with Special Advertising Rates
