WLR Automotive Group to Open an Auto Spa Express in Odenton, MD

Frederick, MD (4/22/22) – WLR Automotive Group, Inc., is scheduled to open an Auto Spa Express, in Odenton, MD on Monday, May 31, 2022. The new Auto Spa Express will be conveniently located at 1524 Annapolis Road. This marks the company's 26th business location and 6th Auto Spa Express.

The Auto Spa Express offers customers a cutting-edge car wash experience. The state-of-the-art 100-foot tunnel boasts high-tech stainless-steel equipment and uses two types of wraps; soft microfiber and neoprene wraps that do not hold dirt. There is colorful LED lighting throughout, with a rainbow rinse that adds enjoyment to the overall experience. The Auto Spa's filtration system under the tunnel removes minerals, to ensure a spot-free rinse. The tunnel ends with 18 air cannons and 2 heated dryers, for maximum drying. Also, worthy of note, the tunnels can fit dually wheeled trucks.

The Auto Spa Express offers four different wash packages, including Super, Deluxe, Standard and Basic. Each wash package has the option of an Unlimited Monthly Membership complete with a VIP Members-Only Express Lane. In addition, after exiting the wash tunnel, there are free microfiber drying towels, air hoses, 13 vacuums, and 4 mat cleaners for customers to use.

Randall S. Simpson, President and CEO of WLR Automotive Group, said, "We are thrilled to open a brand-new Auto Spa Express in Odenton, MD., and provide customers with an innovative car wash experience. Simpson added, "the new location has a team of talented and hardworking individuals who are proud to be a part of this new endeavor."
