

## SUPERINTENDENT PSA SCRIPT

Schools are closed throughout San Diego County, just like,

(pause) here in [district name *please keep it informal such as Oceanside.*]

(pause) And even though we are not all together physically,

(pause) we are all working hard,

(pause) to support our students.

(pause) Teachers are still in full swing

(pause) to continue your education,

(pause) finding innovative ways to keep students engaged

(pause) from pre-school,

(pause) and kindergarten,

(pause) all the way to our high school seniors.

(pause) We're sad seniors are

(pause) so far apart from friends

(pause) and teachers.

(pause) We look forward to the time

(pause) when we can come together again

(pause) to celebrate

(pause) your accomplishments

(pause) in person.

(pause) For all our students,

(pause) and all our parents,

(pause) please know that you

(pause) are in all our hearts

(pause) and that we will get through this

(pause) together.
