UUSF Covenant of Right Relations

We covenant to build a religious community guided by love and sustained by respectful relationships. Believing that building healthy relationships is a spiritual practice, we listen appreciatively, speak with care, express gratitude, and honor our differences, working toward consensus where possible and moving forward in faith where it is not.

We communicate directly, honestly, and compassionately, even when we are in conflict. When we hurt one another, we engage in the work of forgiveness and listening, repairing harm where possible, and knowing that healing and reconnecting take time.

In celebration of the common purpose that unites us, we abide by this covenant, imperfectly but faithfully, as we work together to build the world we dream of.

Welcome to UUSF! We're so glad you're here!

If you are new to our faith community, please fill out a newcomer card, located in the pews in front of you, and place it in the offering basket. We'd love to connect!

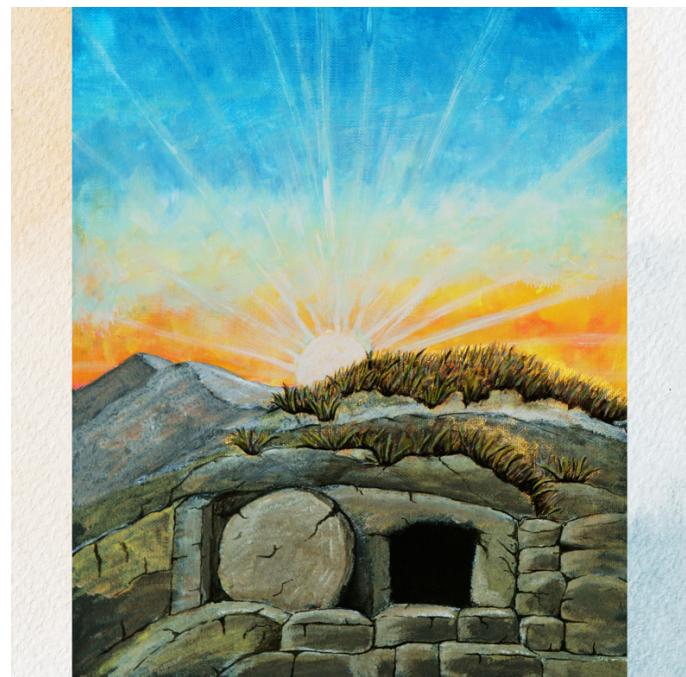

Coffee hour will be held in the Parish House following the service.

Nursery care is available from 9:45 a.m.-11:30 a.m. in the Harrop Center (the Tudor building behind the church). Ask a greeter if you need assistance!
