

For **Adobe CC** -

You will need to let your instructor know your need for using CC. Your instructor should then follow up with Jordan Meyersieck by e-mail at jordan.meyersieck@ccaurora.edu. Once verified, please see directions on how to download, install and sign in to Adobe CC using your student license available [here](#) along with supplemental instructions [here](#).

For **Final Cut Pro X**-

Apple provides a free 90 day trial available for download [here](#). A full version to use at home provided by CFS is also available. Please reach out via e-mail to Jordan Meyersieck at jordan.meyersieck@ccaurora.edu with your request.

For **Pro Tools**-

You will need to let your instructor know your need for using Pro Tools. Pro Tools licenses are limited and will be available first to those in our Post Sound classes.

For **Final Draft**-

To download a personal, student use installer, please click [here](#). When prompted for license, please enter our customer ID: **EFDY-KZDL-GFFY-WCSC-IDQI**. If a trial version was already installed, you will need to follow [these additional steps](#).

For **Highland2** (Final Draft Alternative on Mac)-

Download from the Mac App Store [here](#)

For **Movie Magic Budgeting & Scheduling**-

Please contact Jordan Meyersieck via email Jordan.Meyersieck@CCAurora.edu

-

For **DaVinci Resolve**-

Download the free version [here](#)
