

Gale Associates, Inc.
Senior Structural Engineer
Weymouth, MA

Gale Associates, Inc., a well-respected national engineering/planning firm celebrating over 50 years in the engineering/planning industry and rated one of Zweig White's "Best Firms to Work For" has an exciting opportunity for a Registered Structural Engineer.

Key Responsibilities:

- The selected candidate would serve as a Manager for our Structural Engineering Group and oversee all junior staff within the division.

Job Requirements:

- Minimum B.S. Civil or Structural, either a P.E. or S.E. Registration (S.E. preferred), and 10+ years' proven project management experience.
- Expertise in the evaluation and renovation of existing structures and facades, foundation design and concrete rehabilitation.
- Knowledge of concrete, masonry restoration, waterproofing and building enclosure assemblies is desirable.
- Ability to manage projects, presentation/communication skills, and computer proficiency are essential.

Gale offers an excellent salary and full array of first-day coverage benefits including:

- | | |
|---|--|
| - BCBS health Insurance | - Delta Dental insurance |
| - Fully-paid Life/Disability insurance | - 401(k) Profit Sharing Plan and Trust |
