

# Passover Home Hospitality 2022

Every day in the news we hear the story of a modern-day Exodus from the Ukraine. Three million people so far have been forced to leave their homeland. You see pictures of frozen children and their worried parents at train and bus stations trying to escape an oppressor not unlike the pharaohs of old. The Mitzvah of Passover is telling the story of our Exodus. We feast on ceremonial foods, recall the story of our escape from Mitzrayim, and hope that such misfortunes will never happen to us or another people again. That is why it is so important to tell our story each and every year.

We seek hosts and guests to take part in in-person or virtual seders. A couple, family or individual may volunteer to serve as host in person or by an agreed upon video conferencing platform. If you would like to host or be hosted please use this form to let us know by **April 8, 2022** and return it to the office or contact Hope Levy Kott at (301) 921-8268 or by e-mail at [hkott@aol.com](mailto:hkott@aol.com).
