The Opening Bell

Dr. James P. Lee

Superintendent of PV Schools

Please join us for our ever popular first meeting of the school year, where Dr. Lee will share some of what you and your child can expect in PVSchools over the coming year. Dr. Lee, who has led the district since 2009, will give us an update, share some highlights, and answer your questions.

Dr. Lee, with over 30 years of experience in education, believes a student's lifelong success demands mastery of the four C's: communication, collaboration, creativity and critical thinking.
